Bob's Recovery from Surgery

Bob is recuperating fine and is out of the hospital. He looks good and was seen at the flying field for Hotdog Tuesday on June 5th. Bob was not flying a plane so he obviously is not back 100% but I am sure he will have a plane in the air in a very short time. Thank you for all your thoughts and prayers.

President's Message

The field around the flying field has been bush-hogged. Thank you to all who spent hours on the tractor helping with this endeavor. It looks great!

Our flying field is in excellent condition. Thank you to everyone who has mowed and who has volunteered to mow in the future. Come see the field and bring a plane. You will not be disappointed.

Remember to let Bob Satow or Roger Crook know if you would like to sign up to help cut grass this summer and fall. There are still several dates available. Let's get as many members cutting grass as possible so the responsibility doesn't fall on just a few people. Bob will have the list at the meeting.

Thank you all for your concerns regarding my surgery. I am doing fine and I hope to see you at the meeting Sunday, June 10 at 4:00pm. Come early and fly a plane with other club members.
