

Fly Paper

November 2018

All Member/Family Day Fly-in (October 6, 2018)

Thanks to all who attended the All Member Fly-in and Family Day. It was a great time and we had a great variety of planes in the air. We had approximately 50 attendees. Pictures will be posted on our website soon at www.triadaero.org.

Boy Scout Troop 200 Aviation Badge weekend (October 13)

Our club sponsored teaching Boy Scout Troop 200 the Aviation Merit Badge. We had eight scouts and two adults attend. The scouts toured the Richard Childress Racing hangar and the Wake Forest Baptist Hospital AirCare helicopter at the Lexington Airport and then met at First United Methodist Church (Our field was under water). Richard Lowry taught the classroom portion while John Harrison help the scouts build the FPG-9 airplane kits. Thanks to all who helped.

Planes abound at the All Member Fly-in and Family Day event

It has been a great year for the club. We are very active not only within the club but also within the community. TAI is a club you can be proud of. Come join us!

Hot Dog Tuesday's are over.

President's Message

November's meeting will include officer nominations and elections. Nominations for all officer positions are open. Please take careful consideration to this opportunity.

November Mowing Schedule: There is not a schedule. The mowing schedule will pick back up in the spring. Thanks to all who helped mow this past season. Please consider mowing again next year.

2018 is not over and neither is the flying. Come fly with club members on Tuesday and Sunday afternoons. Want help or instruction? We can do both.
